Hillcrest is a not-for-profit retirement community that relies on the residents who move here to support its mission and goals. In order to fulfill our mission, we must know that you are able to meet your financial obligations here as well as when, if ever, you may need financial help from Hillcrest. The financial statement that is part of this application allows Hillcrest to evaluate which type of home best suits your financial portfolio.

### Some important points to remember when completing the financial statement:

- 1. All assets and income listed on the form are used to help you qualify. This means that most residents are eventually expected to spend principal for their care and service.
- 2. We expect that you will sell your house prior to coming to Hillcrest, and that the proceeds you expect to retrieve are included in "spendable" assets.
- 3. When calculating your finances, please do not include personal assets such as jewelry, furniture, cars, and motor home.
- 4. The assets you list on the form must be available for you at Hillcrest and not divested for other purposes.

### We request that the following be attached to this form:

- 1. A copy of last year's income tax forms;
- For fund verification purposes, the last statement reflecting activity on any/all accounts listed in Part III;
- 3. A copy of your long-term care insurance policy; if applicable; and
- If a guarantor is signing with you, the guarantor must also complete a financial statement and attach verification of the same information as the applicant.

#### IF YOU NEED ASSISTANCE WITH THIS APPLICATION, PLEASE CALL HILLCREST MARKETING DEPARTMENT MONDAY THROUGH FRIDAY, 9:00 A.M. – 5:00 P.M.
